Co-op Networking Open House

The Open House will begin at 1:30 pm, offering an opportunity to network with our new Co-op/Intern students. A short program will follow at 3:00 pm, with networking continuing afterwards.

This event is open to employers and staff members (e.g., supervisors, hiring managers, talent acquisition) interested in learning more about taking on Co-op student(s) for 8 months starting in January 2026.

Summer & Full-Time Recruitment

Edwards Hallway Visits

Hallway visits are an opportunity for an employer to set up in the space just outside our office to promote themselves and the opportunities they have for Edwards Students. Think of it as a mini career fair – but you're the only exhibitor! Hallway Visits are **free of charge** and can be booked throughout the year.

Information Sessions

Our office is here to support all employers who plan on offering information sessions for our business students. Share insights about your organization, industry, and career opportunities all while recruiting top talent. Information sessions will be advertised throughout the college over CareerLink and targeted emails. Please note space within Edwards is extremely limited, therefore we are unable to host your information session in our building. Campus/near campus options for information sessions include [Louis, Marquis Hall](#), and [Holiday Inn Express & Suite Saskatoon East – University](#). Outside of these locations, we see that other organizations are also hosting their sessions at TCU Place, Delta Bessborough, and Hudson's – just to give you an idea.

Information Sessions can be held:

- In person or virtual
- RSVPs can be collected at no cost through Edwards Career Services

If you are hosting an information session, please confirm and provide your targeted message to Edwards Career Services to entice students to attend your session.

Post a Job

We offer our employers access to CareerLink where you can create new job postings, review and repost past postings, and collect and review applications. Should you need assistance with your postings, we can help.

Student Interviews

Had a great response to your posting and now you're interested in speaking with Edwards applicants? We can assist you with scheduling those interviews.

Resume Books

We have resumes on file of recent Edwards grads seeking employment. We are pleased to offer these resumes to our employer partners with positions to fill. Contact us with the details on the opportunity and we will put together a Resume Book for you!

#EdwardsConnects 2026

Join us to be an exhibitor and “Network & Engage” with the next generation of business professionals during our annual career fair (first week in February).

Building your Brand in Edwards

Help us prepare our young professionals by engaging with Edwards students and sharing your knowledge and career insights. We frequently seek employer partners to participate in:

- Panel discussions
- Coffee chats with students
- Mock interviews
- Resume & LinkedIn reviews
- Industry information sessions
- Edwards Career Mentorship Program

Curious to learn more about any of our opportunities?

We'd love to chat! Whether you're interested in campus events, student engagement opportunities, or our Co-op program, we offer a range of opportunities for employers to engage with future talent here at Edwards. Reach out to us at careers@edwards.usask.ca to book an **Employer Brief** – we'd be happy to set up a quick call to walk you through the many ways to get involved!
