Quick facts

• Two-year certificate
• Full or part-time program
• You can enter this program directly from high school
• Complete as a standalone program or as part of a USask degree

The Certificate in Business (CBUS) is an eight-course program that will provide you with the knowledge and skills to be successful in professional business environments.

You will be introduced to business foundations and will have opportunities to become an innovative thinker, a creative problem-solver, an effective contributor, and a team leader.

Students who complete the Certificate in Business will:

- Understand basic business principles;
- Be effective contributors to team performance;
- Incorporate ethical considerations into decision-making and intended actions; and
- Be effective decision makers and problem solvers.

Featured classes

COMM 306.3: Ethics and Strategic Decision Making

This course introduces students to strategic management and ethical frameworks that will assist you in understanding the impact these forces have upon organizational decision making.

COMM 401.3: Business Strategy

An integrative course which focuses on the functions and responsibilities of senior management. Deals with the concept of organizational strategy and how it is formulated, developed and implemented in real-life situations.

Edwards School of Business is just the right size. We offer exemplary students an AACSB-accredited education in a welcoming classroom environment. Our classes facilitate learning and interaction with faculty and other students. Situated on the University of Saskatchewan main campus in Saskatoon, SK, the community provides social and professional activities business students crave.
